

Villages of Westcreek Angel Tree Registration

The Villages of Westcreek will be sponsoring an Angel Tree this year. Our goal is to help ensure that all Westcreek residents have a good holiday. If you or someone you know needs assistance this holiday season, please fill out a registration form and return it to the VWOA office. This can be done during business hours or can be dropped in the night deposit box after hours. Registrations must be in by December 5th at noon. All ages are eligible. All information will be kept confidential and gifts can either be picked up at the office or delivered if needed. If you have any questions please call the VWOA office at (210) 679-8761.
