

SMASH Dance Fitness provides fun & unique styles of dance & fitness classes to suit the entire family.

SMASH originated in Las Vegas, but the military brought us to San Antonio. Our main studio is located at 6709 Bandera rd. You can check additional classes at [smash dance.net](http://smashdance.net)

As WestCreek Home owners, we chose to provide fun children classes here in our very own community.

SMASH at WestCreek is a non-intimidating, non-competitive positive outlet for kids to give them an introduction to dance. SMASH works closely with the community and provides 2 showcases a year for charity.
