II. OPEN FORUM:

Mr. Drummonds opened the Members forum.

Mr. Bill Fenstermacher asked questions of the newly elected board members the questions are as follows:

1. First question: Prior to the Annual Meeting of the Members on April 17, 2014, did you play any role in the drafting and or distribution of the letter entitled "VOWA Fraud, Waste and Abuse" to homeowner's within the Villages of Westcreek?

Response(s) - Guy Oliver and Ismael Padilla answered: NO

Anthony Hoffman answered: YES

- 2. Second Question: If yes, what specific actions did you take to verify that all the allegations attributed in the letter were true and factual? Did you contact any BOD member or any Staff Members at that time to verify these allegations were indeed true prior to the distribution of the letter? If so, whom? Response(s) - Anthony Hoffman said he had talked to two of the former staff members but refused to give names.
- 3. Third Question: Since being elected to the Board of Director's have you found any evidence of mismanagement, corruption, favoritism, fraud, and abuse of authority and greed that past BOD members and staff members were implicated in? Be specific?

<u>Response(s)</u>: Mr. Hoffman had to admit that he had not found any of the allegations to be true. He has not looked at the books.

Mrs. Besecker asked that the trees overhanging the sidewalk on Westcreek Oaks be trimmed up so that they are not hitting people in the head. The trees in question are on private property, but the branches extend out into the right-of-way. Mr. Drummonds said that he would have maintenance look into the situation.

III. Committee/Department Reports:

- a. Recreation Department. A written report was provided and is attached to these minutes. Staff is looking into getting the phone at the community center pool repaired. Resurfacing the basketball court has been started and over to the Sports Park committee. The dumpster in the Sports Park needs to be moved to the overflow parking area. Mr. Drummonds asked the Community Manager to have the dumpster moved to the area behind the tennis courts adjacent to the overflow parking lot.

- I. Sports and Park Committee. Written report was provided. The Chairperson, Mrs. Melynda Porter, briefed on the report and answered questions. See attached report
- m. Sports Sub-Committee. The Sports Committee provided recommendations for approval for the fall 2014 soccer program. The Committee recommended:
 - 1. A paid officer no longer be used on Saturday mornings during soccer games. Trained/certified Referees will use red cards to stop games and eject unruly parents, coaches, or players. Staff and coaches will support referees decisions. After discussion, Kevin Drummonds moved to approve the recommendation and it was seconded by Ismael Padilla. The motion was approved by a vote of 5–0. CLOSED
 - 2. Ages for two divisions be altered. The Committee recommended the new divisions be (9-11) and (12-14). After a good deal of discussion amongst the Board and members present, a motion was made to accept the new age categories with the stipulation that any parent wanting their child to play in a higher division must sign a waiver of liability for the VWOA. The motion was made by Anthony Hoffman and seconded by Kenneth Fowler. The Board approved it unanimously. **CLOSED**
 - 3. A member of the Sports Sub-Committee, Tim Peters, who has worked as a professional referee in the past, be used to train this season's referees and certify them. The motion to approve the

- recommendation and require all referees be certified by Mr. Peters was made by Kenneth Fowler and seconded by Ismael Padilla. The Board approved the motion by a 5–0 vote. **CLOSED**
- 4. For this season and hereafter, parents be required to sit on the side of the field opposite the players and coaches. Kenneth Fowler moved to approve the recommendation and it was seconded by Ismael Padilla that this requirement be added to the rules. The Board approved the motion by a vote of 5–0. CLOSED
- 5. Age divisions 9-11 and 12-14 be moved to a 50 yard by 100 yard field and play 11 v11, provided there are enough players to make four (4) teams in each division. After considerable discussion, the Board unanimously approved a motion to try the new field and team size. This is contingent upon having enough sign-ups during registration to have at least four (4) teams in each division. If this does not happen, the subject will have to be readdressed by the Board. **OPEN**
- 6. Soccer participants, age seven (7) and up, be required to wear cleats. The Board briefly discussed this and directed the Staff to include in the rules mandatory wear of cleats for all ages participating in the soccer program. **CLOSED**

REPORT FOR THE BOARD OF DIRECTORS – 7-17/2014

Meetings held during the weeks of: 6/3/14 6/1014 6/17/14 6/24/14

Applications reviewed:

41

Applications approved:

36

Applications disapproved:

5

The 5 disapprovals were for:

- 1---A contractor's sign that needed to state: "Register at the VWOA office". (It was resubmitted and approved.)
- 1---A renter personally presented their request to the ARC asking for a variance to the Standards. They wanted us to allow them to keep their portable basketball goal in the street at all times. Their reasoning was because their driveway is slanted and the goal's weight makes it very difficult to move it back in the yard every time their children are not using it. As a viable solution, the ARC recommended that they provide a support, like a wedge, under the goal that would hold the goal in an upright position 15' back from the curb. They agreed.
- 1---Sealing and painting the driveway.
- 1---A religious sign in front yard that reads: "I ♥ my church"
- 1---Wooden lattice roofing for a wooden deck.

Note: Since the first 2 disapprovals were solved, the net disapprovals are 3.

The 36 approvals were for:

- 10---Repainting house, trim, front door & garage door.
- 4---Walkways.
- 3---Xeriscaping and flowerbeds.

2---Storage sheds. 2---Wooden decks. 1--Contractor Sign resubmitted. 1---Cement patio. 1---Patio cover. 1---Cement patio with a Pergola. 1---New house in Highpoint. 1---Replacing house shingles. 1---New front door. 1---Mortored flagstone (11' x 11') behind the dwelling to provide for a sitting area. 1---Cement ramp at front entrance to the house to accommodate handicap resident. (Approved as a waiver to the Standards.) 1---Concrete pad for a basketball goal behind the dwelling. (This had been disapproved because a Plat Survey showing the proposed location did not accompany the Application.) 1---Wooden trellis behind the dwelling. 1---Wooden lattice on one side of patio. 1—A/C window unit on the second floor. (For health reasons, approved as a waiver to the Standards.) 1---Extending side fence forward not to exceed 5' from the front of the dwelling.

Gene Hopkins Chair, Architectural Review Committee

1---Drainage trench on side yard.

He asked that committee members be prepared to discuss and make recommendations for changes. Some committee members asked if copies of 2011 and 2012 budget to actual figures could also be provided. - 2. Meetings- Weekly meetings are currently scheduled in order to prepare recommendations for the soccer program to be submitted to the Sports Park Committee by the 19 June 2014 deadline. A regularly scheduled monthly or quarterly meeting will be determined by the committee as soon as possible. (OPEN)

Some recommendations will be put on hold until after the soccer season; however, final review of recommendations will be available to the Sports Committee during the next scheduled meeting. If anyone would like access to the spreadsheet with recommendations, please contact Ryan Haskins at ryanhaskins(a)aol.com. (OPEN)

Guy presented a flyer about the soccer program registration kick-off event that is planned. V. Committee Reports: NONE

VI. Round Table- Varnell Johnson asked about the requirement that there must be an open meeting at the club house or park whenever a working group meets. These working groups typically have specific tasks, are researching specific issues and report their findings back to

the committees that they fall under. He expressed concern that sometimes these groups need to meet multiple times during the week and may not require a scheduled, open meeting...maybe they can meet at someone's home. Guy Oliver explained that all meetings, even for small working groups, must be open to anyone interested, and must be handicap accessible, therefore, must be held in this manner. (CLOSED)

VII. Meeting Adjourned: at 8:45 pm

VIII. Next Meeting: The next meeting is scheduled for 6 pm on 19 June 2014 at the Community Center.
