Blue Santa Toy Assistance Program

THREE WAYS TO HELP!

1

HOST A TOY DRIVE

Get involved and host a Blue Santa Toy Donation box in your place of business. Donate at participating locations or scan the QR code for full list of locations.

2

FUNDRAISE

Please help us reach our goal of 5,000 toys! The average toy is around \$15, and each Blue Santa program recipient receives two toys.

3

VOLUNTEER

Our Gift Wrapping Volunteers will be responsible for helping Blue Cares donate toys for our families in need. Check out our volunteer QR link for available volunteer times.
